

APPLICATION
Russ Wayland Mini-Grant for Teachers
SPONSORED BY THE VIRGINIA SECTION
AMERICAN INSTITUTE OF
PROFESSIONAL GEOLOGISTS

2008

In 1993, the Virginia Section AIPG established a grant of \$500 per year in order to improve the teaching of GEOLOGY in the schools (K-12), Public and Private. Applicants should type, or print in ink, all sections of the application. and submit it prior to June 1, 2008.

Applicants must be currently employed as classroom teachers, and must be a member of VAST or WVSTA. Applicants must agree to share the outcomes of this project with other teachers through inservices and/or a presentation at a VAST conference. Applicants are also to share the outcomes of the project with the members of AIPG/VA at one of their four yearly meetings.

The review committee is looking for proposals that will result in more hands-on activities, better understanding of the importance of geologic resources, and/or geologic principles.

The grant may be awarded to one applicant, or split among several applicants (amount of award will be determined by the AIPG selection committee). The grant monies are not intended as remuneration and should not be considered as such. The AIPG selection committee may elect to not make an award if it feels that none of the proposals meet the goals of AIPG.
